## THE 1937 LANTERN

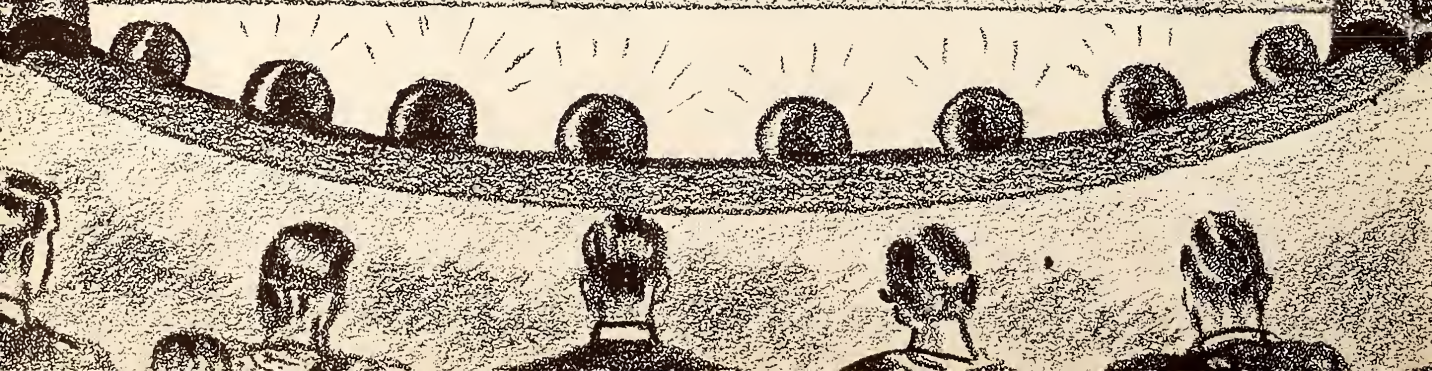

# LAMBUTH THEATRE

## PREVUE

It's stupendous! It's Gigantic! IT'S COLOSSAL!

That is the way most movie prevues describe coming attractions. Such superlatives are out of place in the prevue of THE 1937 LANTERN. We wish simply to state that it is an attempt to capture between the covers of a book the drama of the year nineteen thirty-seven at Lambuth College—a year packed with action, thrills, comedy and well, yes—love. You will notice we have attempted to represent the year book as a movie production. How well we have succeeded we leave for you to decide.

## DEDICATED TO

A. D. OXLEY

*Professor of Biology*  
*Dean of Men*

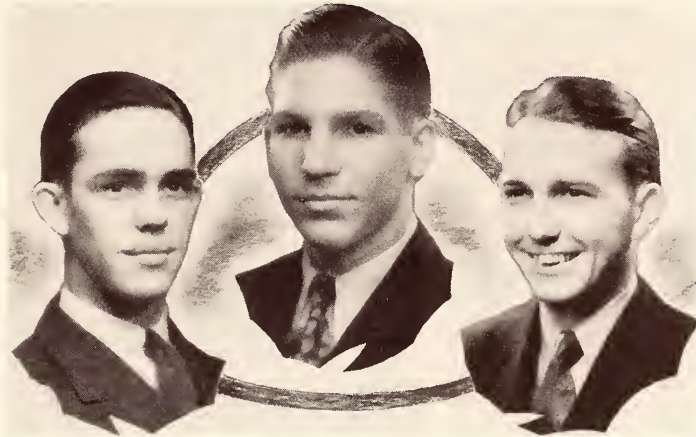

In recognition of a man who has found that science does not refute religion but gives it new meaning. His concept of man as "co-worker with his creator" is a challenge and an inspiration to every sincere student at Lambuth.

### Aladdin's Lamp

*According to the famous tale from The Arabian Nights, Aladdin could have any wish fulfilled merely by rubbing his lamp. We hope that the 1937 LANTERN will prove to be a magic lamp in days to come and by turning its pages may you be able to capture some visions of the past.*

of the  
College*

## *The President's Message*

**A**S THE years pass our institution strikes its roots more deeply into the soil in which it was planted. More and more it is coming to be considered a potent influence in the educational, religious and social life of the area it serves.

The causes are not difficult to discover. Lambuth College has very definite educational aims. These have been stated over and over again—in the press, in the college publications and from the pulpits of our churches. Moreover, they have been emphasized in faculty meetings, in the chapel and in the classroom, with the result that these aims are being realized in the lives of students and alumni.

Lambuth College has now been in operation long enough to enable its constituency to see some of the results of its program and policies. There is general appreciation of the service rendered by Lambuth alumni to the communities in which they live and work. Greater recognition than ever before is being given to the administrative officers and faculty members. Lambuth College is not living a life apart. It is definitely identified with many progressive and constructive movements. It will never be content merely to *reflect* the thought and life around it, but will always strive to help *direct* them toward socially desirable goals.

# ALMA MATER

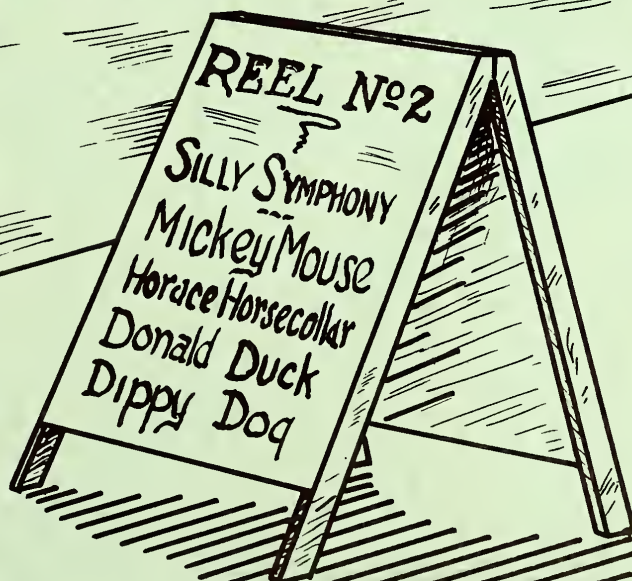

HAIL TO LAMBUTH, OUR LAMBUTH  
BELOVED,  
SCHOOL OF IDEALS, OF SUNLIGHT  
AND SONG;  
THO AFAR FROM THY CAMPUS  
REMOVED,  
STILL OUR HEARTS SHALL FOR THEE  
EVER LONG.

CHORUS: .  
SWEET THY MEMORIES, THY FOND  
RECOLLECTIONS,  
'TIS THE DEAR SCHOOL THAT GAVE  
US OUR WORTH  
HOW YOU HOLD, COLLEGE DEAR,  
OUR AFFECTIONS,  
ALMA MATER, THE FAIREST ON EARTH!

MAY OUR COLORS, THE WHITE AND  
BLUE STREAMING,  
OUR EMBLEMS OF LOVE AND OF  
TRUTH,  
BE AS SUNLIGHT UPON OUR PATH  
BEAMING,  
DEAR IN AGE AS THEY NOW ARE IN  
YOUTH.

O LAMBUTH, WHERE'ER LIFE MAY  
LEAD US,  
IN SORROW, OR SUNSHINE, OR JOY  
THY MOTTO SHALL STILL BE OUR  
WATCHWORD,  
THY PRAISES OUR TONGUES SHALL  
EMPLOY.

### Mrs. O'Leary's Lantern

*Famous, or rather infamous, in history is the lantern which Mrs. O'Leary's cow kicked over October 8, 1871, in a stable on the outskirts of Chicago starting a fire that practically destroyed the city.*

## GOVERNMENT

JAMES L. ENGLAND  
*Vice-president*

This is the initial year of operation for the new student body government on the Lambuth campus. The student government centers entirely around the new constitution which was adopted by the student body in the latter part of the 1936 school term.

The constitution is, essentially, drawn up on the same plan as our national constitution in that it embodies the executive, judicial and legislative departments of government.

The executive department is administered by the president and vice-president of the student body. The judiciary is made up of the Judicial Committee which serves to interpret the constitution and try cases involving breaches of student regulations. The legislative department is made up of the Student Council which is composed of sixteen members, four elected representatives from each class and with the vice-president as the presiding officer. President Chronister and Vice-President England had the honor as well as the enormous task of setting up this new government for the first time.

### Diogenes' Lantern

*Diogenes, the Greek philosopher, walked the streets of Athens with a lantern in broad daylight. On being asked what he was looking for, he replied, "I am seeking an honest man." History doesn't tell us whether or not he ever found one.*

Coach Johnson continues to be "The Moulder of Champions." Great Lambuth basketball clubs seem to be his hobby.

## EAGLE BASKETBALL

LANIER DeSHAZO

"A Senior and a great basketball player in every respect."

### THE M.V.C. TOURNAMENT

Lambuth sent two fine teams to the Mississippi Valley tournament, held in Martin, March 1st and 2nd. The Eaglettes had little trouble, successfully defending their crown for the fourth year. Johnson's lassies brushed aside Northwest Mississippi Junior College in finals, 38 to 21.

The Eagles drew the powerful U. T. Junior Vols and lost a heart-breaking thriller, 35 to 33, in the semifinal round. This was the first time in four years that the Eagles were not in the final round. Such a record is a tribute to any team as well as a fine example of the coaching ability of Coach Johnson.

## BASKETBALL (Eagles)

The Eagles had their ups and down during the 1937 season. It looked as if Johnson had another Champion M. V. C. team as the boys took Arkansas State over the bumps in the season's opener, 27 to 15. Gaining momentum Lambuth trimmed the Corporals of Bethel College 27 to 17 for their initial conference win. Then, against Freed-Hardeman's rangy Lions, the Eagles stood around the first half—played ball the last and droppd the game, 34 to 22.

Came the flood, and with it went Captain Curtis Sullivan, Sharp-shootin' Patt Webb, and Amazin' Bob White, to do patrol work along the levees. That left Coach Johnson with two regulars and a bunch of eager rookies to carry on against the tough Valley teams.

Journeying to Martin the flood-stripped Eagles dropped a two-pointer to the strong Junior Vols, 31 to 29. A week later Bethel splashed through the flood for a return engagement with the Eagles and Lambuth went to town for a 35 to 20 victory.

Along the middle of February those pesky Volunteers of Martin spanked our Eagles again—this time, 21 to 19.

Things went from worse to terrible as Austin Peay let the blue-jersied Lambuths down twice, 31 to 29 and 42 to 35.

Along about this time the Mississippi moved Gulfward and back trudged those three missing links, Sully, Patt and Bob. Along with those three came better business as the Lynx of Southwestern tumbled before the rejuvenated Eagles, 20 to 18.

In the tournament at Martin, Lambuth again caught their nemesis, the Vols. Fighting on even terms all down the stretch the Eagles were finally pushed back by two points, 35 to 33.

## BASKETBALL (Girls)

Lambuth boasted a good girls' team in 1937. It was not to be classed as great, but good enough to win the Mississippi Valley Championship.

Coach Johnson was faced with the rebuilding of practically his whole team. From down Mississippi way he brought two fine players in Jim Dew and Bill Martin, who fitted in the Johnson scheme unusually well. From nearby Huntersville came Mildred Spivey who scored sensationally as a Freshman, sending 120 points through the loop to lead the Eaglettes. Browns sent Winslow, one of the finest guards in this section, to fill the shoes of Eunice Harris. Kay, Lax, and Haskins steadied these recruits with their experience and sterling performance.

Playing against the toughest teams in the nation, the Eaglettes won seven and lost the same number—a remarkable record for what might be classed as a first year team.

The Eaglettes made two cross-country trips during the season, to Galveston, Texas, during the Christmas holidays and to Wichita, Kansas, to participate in the National Girls Tourney.

## TENNIS

Tennis Champions for seven years—that's the record that Lambuth has in the Mississippi Valley Conference Tennis circles and that's the record that this year's team is trying to add one more championship to.

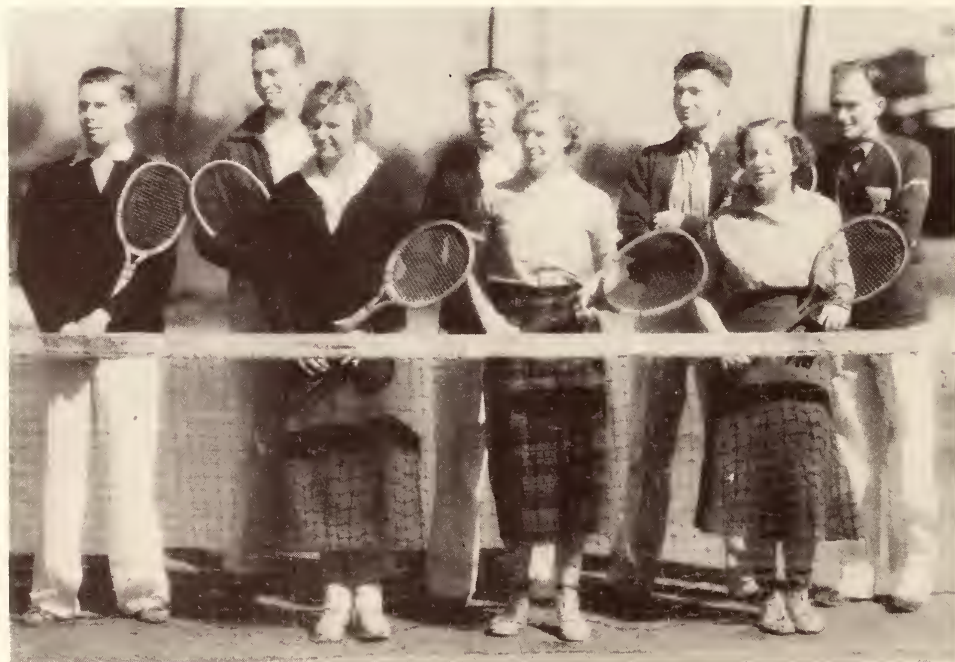

Last year Lambuth had a successful season. Under the guiding hand of Coach Michel, Lambuth lost only one match, that to the powerful Commodores of Vanderbilt.

This year Michel will have a wealth of new material to fill the ranks of the departed. Newcomers are: Bill Martin, Jim Dew, Jane Cosner, Elizabeth Coffey, James Allen and Oscar Dodds. Returning veterans: Ennis Robbins, Gardner Ray, Tom Swift and Marjorie Swift.

In addition to the usual conference foes, Lambuth will probably take on Vanderbilt and Southwestern.

## BASEBALL RESUME

Lambuth had a fair baseball season in 1936. Playing one of the heaviest schedules that an Eagle team has ever had, Coach Johnson's lads managed to come out one ahead of the books . . . winning eight and losing seven.

Boasting an unusually fine mound corps, composed of Billy Steele, Patt Webb, and Barton Webb, the Eagles took their conference games in stride. Meeting Vanderbilt, one of the best teams in the Southeastern Conference, Lambuth was dealt a double defeat, their only losing streak of the season. Behind the plate was heavy hitting Raymond Matthews. The infield was made up of Steele, Charlie Phelps, "Ducky" Mitchell, and Johnny Parham. Roving the outfield were "Bud" Miller, Neal Sherrod, and Curtis Sullivan.

The 1937 prospects look bright. Although the squad was hit heavily by graduation and men changing schools, the Eagles are apt to put the Mississippi Valley Conference championship back in the Hub city. Returning veterans are: Curtis Sullivan, Charles Phelps, Patt Webb, and Randolph Tucker. New men in school with ability will fill the ranks.

# GLIMPSES INTRAMURAL

The intramural sports program at Lambuth has taken on new life and is in process of rapid development. The program was designed with the idea that the opportunity to participate in some form of sport should be offered to every student on the campus. Most of the machinery for carrying out this program has already been set up.

Students now have the opportunity to participate in out-door camping, golf, tennis, softball, horseshoe pitching, shuffleboard, ping-pong, baseball, basketball, football, croquet and archery.

Below are shown some of the scenes of activity indicating the rapid advance in intramural sports.

"The Whites," Seniors and Sophs, line up for action ● "Lightning" Sawyer, after the big game, says, "My head is bloody, but unbowed" ● "The Blues" ready for action against the "Whites" ● Captain Weller and Captain Sullivan of opposing teams show affection ● "Willie" Francis, a fleet back, meets a flock of vicious tacklers ● Francis starts a jaunt around end ● Margaret Swift and Kenneth Watlington, the shuffleboard champions ● Freshmen at play ●

# OF SPORTS

SELECTED  
SHORT SUBJECTS

Volume One

LAMBUTH COLLEGE, 1936-1937

Number One

## CLASS IN CHAPELOGY IN SESSION

Pictured above is a small portion of the large number of students enrolled in Lambuth's new course in chapology. The course is taught by Professor Charles "Flash" Phelps, who is well qualified as he is majoring in this course and in fact has taken little else. He is assisted by Miss Craddock Vaughn, who is new at the study but making excellent progress.

Both day and night courses are taught by the professor and during the spring quarter a new course in campusology is contemplated. Music is provided during the lunch hour.

Only the latest methods and techniques are employed and graduates are qualified to receive a license at the matrimonial bureau in the courthouse when they have completed their work here.

Among those who made the honor roll last quarter with straight A's were: J. S. Morris and Frances Johnston, Lanier DeShazo and Virginia Jones, Harvey King and Frances Sands, Louis Wrather and Mildred Spivey (have had special training in busology) and Ira Ford Porter and Nelwyn Todd (are just about ready to receive diploma).

## LAMBUTH LINGO

Among the slang expressions current on the campus during the year were:

Drive in here—Polite way of asking a freshman to your room.

Popping his bill—excessive and spurious talk.

Honey britches—nuts about a dame.

Really ready—a superlative applicable to most anything.

Hot boy—a gentleman possessing superior attributes.

Super hot boy—hot boy with a higher temperature reading.

## SCREEN SOUVENIRS

## SCREEN SOUVENIRS

"The Lanternette" turns back the film to the good old days when Lambuth's Eagles and Eaglettes had just hatched out of their shells and were trying their wings for the first time. The "Bloomer Girls" in the upper picture were right in style in 1924.

# THE LANTERNETTE

## IS COOPERATION A GREAT THING?

Joe Freeland, Lambuth's leading freshman orator, drives his point home with a terrific swing of his mighty fist as he declares, "We cannot operate unless we cooperate, because no operation is successful without CO-OPERATION."

Joe's listeners seem to have gone on a sit-down strike, refusing to be moved by Joe (John L. Lewis) Freeland's ringing appeal.

## FAVORITE QUOTATIONS FROM FACULTY MEMBERS

Bro. Walker—Thank yoo-uu.

Prof. S. V. Clement—(Just before time for bell) Your feet are in the aisles like a bird poised for flight.

Prof. K. Clement—(Coming in late) Now we'll conjugate a verb.

Dr. Michel—(In a booming voice) Well it's—ah, very simple if you know the proper method.

Dean Eagle—You got to use just some plain old common horse sense.

Prof. Oxley—How's come?

Miss Comer—The social calendar has been posted.

## WANTED

### FOR BOVINE ROBBERY

Name: Bob White No. 9999.

Description: Over six feet in stocking feet but don't attempt to take shoes off when measuring him. Face is equipped with dopey expression, cherubic smile and nine hairs on chin. Hair is wavy when the wind is blowing.

He is wanted by the authorities at Tiptonville for bovine robbery committed on one "Lucy Belle," an unwary refugee cow. The depredations were committed while the National Guard was in camp in the flood area from January 25 to February 15.

It is said that this White deprived a calf, Lucy Belle, Jr., of the natural services of her mother thus causing a state of malnutrition.

The authorities of Tiptonville offer the reward of two (2) cents for the capture of this dangerous and desperate criminal.

CALLING ALL CARS! CALLING ALL G-MEN!  
GET WHITE! Public Enemy No. 9999

## HERE IS THE EVIDENCE

Exhibit A: The culprit is shown in the act of committing bovine robbery on the person of Lucy Belle.

## LLULLABY TIME IN LAMBUTH'S PEP (?) CLUB OR WHO HYPNOTIZED OUR CHEERING SECTION?

Cheerleader Ennis Robbins must have been leading the Pep Club in a bedtime story when Photographer "Speed" Wootton snapped this one. Do you suppose they couldn't bear to see Lambuth lose or were they up too late the night before? Anyway if this is pep we'll take sleeping sickness.

Special attractions: Irion says the benediction . . . and very appropriately too on account of it looks like "Corpse" Cosner has passed out . . . Oscar must be having pleasant dreams . . . "Chink" King just can't keep awake.

# THE LANTERNETTE

The year 1936-1937 passes in review as the "Lantern" cameramen bring you the high spots in the calendar.

## THE MARCH OF TIME

**SEPTEMBER 23, 1936**—The March of Time shows exclusive picture of the opening of the thirteenth session at Lambuth College. Two hundred students register as the school year 1936-37 officially begins and—

### TIME MARCHES ON!

**OCTOBER 11-17, 1936**—Freshman Week comes to the campus and green bloomers, caps and sundry other indignities are heaped on the hapless freshmen who are very glad when—

### TIME LIMPS ON!

**NOVEMBER 3, 1936**—Election month! Roosevelt landslide brings to close heated debate between Democrats and Lambuth's Republican minority. "Vision" straw vote gives Roosevelt 157, Landon 6. Lambuth also has elections and student council goes into operation for first time as—

### TIME STAGGERS ON!

**DECEMBER 18, 1936**—Christmas holidays begin and students depart for home, but the Eaglettes depart for Texas. Balmy breezes from the Gulf of Mexico blow over three basketballers in the picture who had better luck catching fish than they did overtaking the fast Moody team of Galveston.

### TIME SPLASHES ON!

**JANUARY 25, 1937**—The New Year comes in with a deluge and after twenty-five consecutive days of rain the Mississippi Valley has one of its worst floods in history. Lambuth does her part as the refugees descend on Jackson and the National Guard descends on Tiptonville to spend over three weeks patrolling the flooded area. The flood waters move back but,

### TIME MOVES ON!

**MARCH 2, 1937**—February breezes by and it's tournament time in the M. V. C. once more. Lambuth students embark for Martin, Tenn., to watch the "hypnotized" Eaglettes come through for their fourth championship and

### TIME DRAGS ON AND ON!

### PRAYER MEETING IN THE ANNUAL STAFF ROOM

Bro. Bagby conducts the "emotional."

Bro. Mischke takes up the (snapshot) collection.

Sisters Sharp and Manley sing a duet—"Is your name written there?"

Bro. Irion delivers the sermon on the mount (ing).

Bro. Hammond leads the group in singing, "Have You Counted the Cost?"

# THE LANTERNETTE

## THIS YEAR'S CROP OF GOATS

### THE GREEKS HAD WORDS FOR THEM

Some suggested meanings for Lambuth's Greek letter clubs:

Kappa Phi Epsilon—Kraniums Plum Empty.  
 Theta Psi—Thugs (and) Preachers.  
 Sigma Alpha—Sissies All.  
 Omega Upsilon Lambda—Our Useless Lassies.  
 Tau Delta—Tough Dames.  
 Beta Sigma Alpha—Boy Scouts of America.

### HEARD AT EPWORTH HALL

"Scotchy" England answering the telephone: "Hello."  
 Voice of "Flash" Phelps at the other end of the line:  
 "Hello. Is that you, Jim?"  
 "Yep, this is Jim."  
 "It don't sound like Jim."  
 "Well, this is Jim speaking all right."  
 "Are you sure this is Jim?"  
 "Sure, this is Jim!"  
 "Well, listen, Jim. This is 'Flash.' Lend me two bits."  
 "All right. I'll tell him when he comes in."

### IT CAN'T HAPPEN HERE

What do you suppose would happen if:  
 Hillsman were not going somewhere?  
 Mills was not hungry?  
 Irion didn't know math?  
 John D. knew how to wear a "tux"?  
 Susie Brown couldn't go camping?  
 Bagby didn't hold hands with Merrydale?  
 John Woods wore overalls?  
 We heard no more about "Cooperation"?  
 Tucker didn't "bull" in class?  
 Joe Freeland dated Nall?  
 "Turp" and Marcus didn't brag?  
 Parr didn't take the opposite side?  
 T. Doty took a wood nickel?

Current gossip has it that the "powers" have persuaded our campus "Puck" to sprinkle some magic drops of hypnotism on a certain couple, hoping an estrangement will be effected for the sake of athletics. It would seem that fireside (Hot-Box) talks have been of no avail. They'd Wrather not.
